EDUCATION

Georgetown University | Walsh School of Foreign Service
Bachelor of Science in Science, Technology & International Affairs

Washington, DC
Expected Graduation: May 2028

- GPA: 3.9/4.0 | First Honors

PROFESSIONAL EXPERIENCE

Garde-Robe

Product Manager Intern

Washington, D.C.

August 2025 – Present

- Designed an incentive-based growth strategy to gate premium features behind friend-invite milestones and increase viral coefficient from 0.0 to 0.15.
- Reduced onboarding friction by analyzing 18 user interviews to remove forced contact permissions and add app tutorials.

Massive Data Institute @ the McCourt School of Public Policy

Research Assistant

Washington, D.C.

January 2026 – Present

- Led data security risk assessments for K-12 classroom AI tools in a \$20M national grant initiative, evaluating compliance with FERPA and data protection standards to guide distribution across six grants of \$50K-\$200K.
- Created a 10+ criterion risk rubric (data retention, redaction, access control) for data in national AI tutoring challenges.

U.S. House of Representatives

Legislative Intern – Office of Rep. Kevin Kiley

Washington, D.C.

January 2026 – Present

- Authored six policy memos synthesizing 10+ congressional hearings on AI governance, cybersecurity, and federal infrastructure investment to guide legislative staff decision-making.
- Maintained structured records for 30+ daily constituent cases and 30 weekly tour requests using IndiGov and internal spreadsheets across a 710K-constituent district.

Toast, Inc.

Product Management Consultant

Washington, D.C.

August 2025 – December 2025

- Evaluated AI ranking logic across ChatGPT, Gemini, Perplexity, and Claude to develop an SEO optimization playbook.
- Analyzed 50 Qualtrics responses to diagnose ordering friction and prototype interactive menu-filtering feature in Figma.

Georgetown University School of Foreign Service

Web Developer Intern

Washington, D.C.

March 2025 – December 2025

- Reduced site load time by 30% for 17M annual users by migrating 95+ legacy pages to a new WordPress architecture using responsive HTML/CSS.
- Improved accessibility compliance during migration by adding alt-text to 500 images and restructuring media-text layouts.

EIN Presswire

Data Analyst Intern

Washington, D.C.

January 2025 - May 2025

- Leveraged SQL and Tableau to analyze multi-year sales data, identifying churn drivers and anomalies to design a \$3.9M ad spend reallocation plan across four search engines.

LEADERSHIP AND EXTRACURRICULARS

Hoyalties

Chief Consulting Officer, previous Director of Training

Washington, D.C.

August 2024 - Present

- Directed 11 consulting projects over 17 weeks by defining scopes and advising PMs to produce performance insights and analytics-powered tools for clients, including WMATA and Control Risks.
- Taught 4 semester-long training modules for 300+ analysts at Georgetown's largest consulting organization, covering Python, Tableau, SQL, R, and Excel, culminating in 27 end-of-semester capstone projects.

Georgetown Asian American Student Association

Professional Development Committee Director, previous Treasurer

Washington, D.C.

October 2024 – Present

- Led a team of 4 representatives to host monthly career development events, initiating outreach to 1,000+ alumni.
- Managed a \$20,000 budget across six committees for Georgetown's largest student-run organization of 400 members.
